

# MSC

## Notice of Parental Required Involvement

MSC is a volunteer base organization. MSC has a contract with McAllen ISD and the city of McAllen for use of their pools. In exchange for the use of their pools, MSC parent volunteers are required to host/ work events for the McAllen ISD, and the City of McAllen. Each MSC family must help work at least three meets per season.

For the 2007-2008 season:

1. Families not signing-up/ signing-up but not working meets will be fined \$50.
2. If fine is not paid within two weeks of assessment, their family will be suspended from swimming.
3. After the fine is paid, and meets are signed-up for, the swimmer may resume practice.
4. Repeat Offenders will be fined \$100.
5. When the fine is paid the family is taken off the suspension list and can resume practice.
6. Parents are responsible for the meets you sign up to work. If you cannot make it, you must find an adult to take your place!
